

SHINNY OF CHAMPIONS

WELCOME TO OUR NEWSLETTER

As we head into playoff season, there's a lot of excitement building across the Shinny of Champions community. What started as a group of new hockey players simply looking for beginner-friendly shinny opportunities, this community has grown into so much more. Today, Shinny of Champions offers its own beginner hockey program, tournaments, skill clinics, and of course the same shinnies we all know and love.

We're excited to share the very first edition of our Shinny of Champions newsletter, your go-to spot for everything coming up in our community. From upcoming tournaments and our summer draft league, to our year-end awards barbecue and development programs, there's a lot to look forward to.

Be sure to check out what's ahead and get signed up early, you won't want to miss it!
